PRICING

Pricing is subject to change and is therefore not included in this booklet. The quote we will provide you with includes GST. Local delivery and installation will be itemised. Options can be priced for different finishes including raw pine, clear lacquer, stain and paint.

DELIVERY & INSTALLATION

Lundia shelving comes flat packed and some assembly is required. Basic units come with instructions, however for larger units we can include costs for delivery and installation in your quote.

SHELVING DESIGN

We are Lundia specialists and offer a free design service to provide shelving and storage ideas to suit your space. Please don't hesitate to contact us. Visit www.livingroom.co.nz to see photos of shelving we have designed and installed in the Wellington area. Please note Lundia does not make bookshelf ladders.

Specification and pricing is subject to change without notice. Additional accessories are available. Please contact Living Room for details. Phone 04 473 9030 or sales@livingroom.co.nz

OPEN UPRIGHTS are available in any combination of the following sizes:

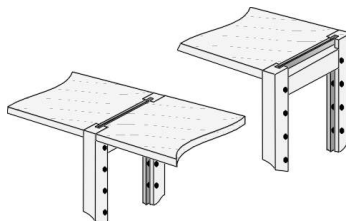

Height in mm

437 | 512 | 762 | 915 | 1220 | 1524 | 1829 | 2100 | 2400 | 2745 | 3048 | 3353 | 3658

Depth in mm

235 | 292 | 381 | 457 | 610 | 762

- Open uprights are drilled through so that shelves can be added on both sides.
- All uprights are drilled at 50.4mm spacings as standard but can also be drilled at 25.2mm.

PANELLED UPRIGHTS with solid sides in either **4mm MDF or ply** are available in any combination of the following sizes:

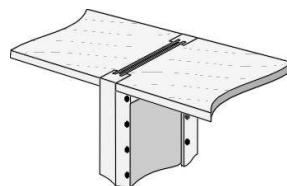

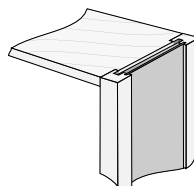

Height in mm

512 | 762 | 915 | 1220 | 1524 | 1829 | 2100 | 2400 | 2745 | 3048

Depth in mm

235 | 292 | 381 | 457 | 610 | 762

- Panelled uprights close the unit off. Shelving cannot be added on closed side.
- Intermediate panelled uprights have a panel in the centre with grooves and drilling to allow shelves to be added on both sides.

SHELVES made from **18mm pine** are available in the following sizes:

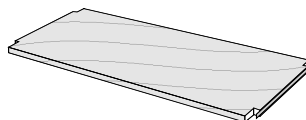

Width in mm

455 | 600 | 800 | 900 | 1000 | 1200

Depth in mm

235 | 292 | 381 | 457 | 610 | 762

- Long and narrow shelves may bow when loaded. Shorter lengths are recommended.
- Linen cupboard / slotted shelves are also available.

Specification and pricing is subject to change without notice. Additional accessories are available. Please contact Living Room for details. Phone 04 473 9030 or sales@livingroom.co.nz

CROSS BRACES are available in black or white and are supplied with screws. Each cross brace will hold up to 3 bays.

OPEN BRACES hold up to 2 bays.

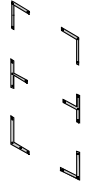

SHELF PINS are supplied with all shelves. 25mm for open/end uprights, 20mm pins for intermediate panelled uprights and 45mm pins for display lip shelves.

WALL BRACKETS are recommended for units 1500mm tall and above. They are available in 80mm and 300mm lengths. Top hat wall brackets secure the end of the bracket to the wall and can be used instead of cross braces.

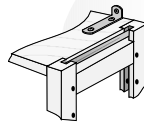

CONNECTING CLAMPS need to be fitted to all back to back units (except where joined by end covers) with 2 per join on units 2745mm tall or less, and 3 per join on taller units.

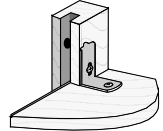

Cross-Brace

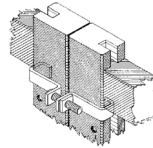

Open Brace Set

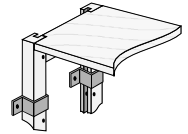

Wall Bracket

Anti-tilt Bracket

Connecting Clamp

Top Hat Wall Bracket
